

SAFETY DATA SHEET

Section 1: Identification

GHS product Identifier: Bond Rejuvenating Masque

Color Oops Fix and Fortify, FCOP0023

Recommended Use: Hair Conditioner

Company: DeveloPlus, Inc.

1575 Magnolia Ave.

Corona, CA 92879 U.S.A

Tel.: +1 951-738-8595

Fax: +1 951-738-8593

Web: www.developlus.com;

Emergency telephone number (with hours of operation): +1 951-738-8595

Monday-Friday 8.00 am – 5.00 pm (UTC-08:00)

Section 2: Hazard(s) Identification

Hazard Classification: Eye Irritant Category 2B.

Signal Word(s): WARNING

Hazard Statements: Causes eye irritation.

Pictograms:

This material is a mixture and considered hazardous by the US Occupational Safety and Health Administration Hazard Communication Standard (29 CFR 1910.1200). Ingredients present at 1.0 % or greater which are classified individually as hazardous are indicated in Section 3. Ingredients present at 0.1% or greater which are classified individually as carcinogenic are indicated in Section 3.

Section 3: Composition/ Information on Ingredients

Chemical characterization: Mixtures

Description: Mixture of the substances listed below with nonhazardous additions. Hazardous substances present at 1.0 % or greater are indicated. Substances which may be considered carcinogenic are listed if present at 0.1% or greater.

Only hazardous constituents associated with the product are listed below

Chemical Name	CAS#	Conc.
Quaternium-91	97281-29-3	0.5 – 1.5%
Cetearyl Alcohol	67762-27-0	1-3%
Cetyl Alcohol	124-29-8	0.5 – 2%

Section 4: First-Aid Measures

After skin contact: May be irritating to skin. The product can cause allergic skin reactions (e.g., rashes, welts, dermatitis) or sensitization in some sensitive individuals. Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. If skin irritation persists: Get medical attention. See product packaging/insert for additional information.

After eye contact: Moderately irritating to the eyes. Symptoms of overexposure may include redness, itching, stinging, irritation and watering. Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing for at least 20 minutes or until material is sufficiently removed from the eye. If eye irritation persists: Get medical advice/attention if irritation or other symptoms occur.

After inhalation: Remove person to fresh air and keep in a position comfortable for breathing. Immediately call a Poison Control Center or doctor if person feels unwell.

After swallowing: If product is swallowed may cause nausea, vomiting and/or diarrhea. Rinse mouth. Do not induce vomiting. Never give anything by mouth to an unconscious individual. Immediately call a Poison Control Center or doctor.

Acute Health Effects: Moderate irritation to eyes. Symptoms of overexposure may include redness, itching, stinging, irritation and watering. Moderate irritation to skin near affected areas.

Chronic Health Effects: No harmful or chronic health effects are expected to occur from a single accidental ingestion.

Section 5: Fire-Fighting Measures

This product is not flammable.

Suitable extinguishing agents: Use firefighting measures that suit the environment

Special protective equipment for firefighters: No special measures required.

Section 6: Accidental Release Measures

Personal precautions: Avoid contact with eyes. Wear protective equipment. Keep unprotected persons away.

Measures for environmental protection: Do not allow to enter sewers/ surface or ground water.

Measures for cleaning/collecting: Before cleaning any spill or leak, individuals involved in spill cleanup must wear appropriate Personal Protective Equipment (PPE). For small spills (e.g., < 1 gallon (3.8 L)) or large spills (e.g., ≥ 1 gallon (3.8 L)), wear appropriate personal protective equipment (e.g., goggles, gloves). Remove spilled material with absorbent material and place into appropriate closed container(s) for disposal. Dispose of properly in accordance with local, state and federal regulations. Wash all affected areas and outside of container with plenty of warm water and soap. Remove any contaminated clothing and wash thoroughly before reuse. Dispose contaminated material as waste according to item 13.

Section 7: Handling and Storage

Work & Hygiene Practices: Do not eat, drink or smoke when handling this product. Wash thoroughly after handling. Avoid contact with eyes, skin, and clothing. Do not expose to heat and flame. Use only

in ventilated areas. Keep out of the reach of children. Wash unintentional residues with soap and warm water.

Storage & Handling: Use and store in a cool, dry, well-ventilated location (e.g., local exhaust ventilation, fans) away from heat and direct sunlight. Keep away from incompatible substances.

Protect containers from physical damage. Always keep away from children!

Special Precautions: Spilled material may present a slipping hazard. Clean up all spills promptly.

Section 8: Exposure Controls/Personal Protection

These criteria have been published by the referenced authority to establish exposure limits in the work environment. Employee work areas should be monitored to ensure that permissible limits are not exceeded during the workday. These references do not coincide with product use. These references are meant to be in association with the manufacturing environment.

Chemical Name	OSHA PEL	OSHA PEL (ceiling)	ACGIH OEL (TWA)	ACGIH OEL (STEL)
NA	NA	NA	NA	NA

General protective and hygienic measures: Keep away from foodstuffs, beverages and feed.

Immediately remove all soiled and contaminated clothing.

Wash hands before breaks and at the end of work.

Avoid contact with the skin.

Avoid contact with the eyes and skin.

Breathing equipment: Respiratory protection is not required for product use. For manufacturing of product, respiratory protection may be considered. Ensure that the respirator meets current local occupational health and safety standards. Organic vapor/acid gas cartridges should be utilized with filtering respiratory protection.

Protection of hands: Gloves should be worn when mixing kit components and applying mixture. For handling large quantities of material, such as in product manufacturing, nitrile or vinyl gloves should be considered for use. Tyvek clothing may also be suitable for handling large quantities of material in the manufacturing environment.

Eye protection: None required for product use. For handling of large quantities of liquid material, safety glasses with side shields/goggles are recommended.

Section 9: Physical and Chemical Properties

Form: Cream

Odor: Characteristic

Odor threshold: NA

pH: 4.5

Melting point/melting range: NA

Boiling point/boiling range: NA

Flash point: NA

Evaporation rate: NA

Flammability: NA

Upper/lower flammability or explosive limits: NA

Auto ignition temperature: NA
Danger of explosion: NA
Vapor pressure: NA
Vapor density: NA
Relative density: 1.0
Solubility in/Miscibility with water: NA

Section 10: Stability and Reactivity

Reactivity: No further relevant information available
Chemical stability: Stable under normal conditions.
Conditions to avoid: No further relevant information available
Hazardous decomposition products: No dangerous decomposition products known

Section 11: Toxicological Information

This product has NOT been tested on animals to obtain toxicological data. Toxicological data, found in scientific literature, is available for some of the components of the product but is not presented in this document

Acute toxicity: Moderate irritation to eyes and skin near affected areas.

Potential routes of exposure/potential health effects

Skin: May cause an allergic skin reaction, skin Irritation for sensitive individuals.

Eye: Irritant.

Carcinogenic effects: No carcinogenic effects in humans are known.

Mutagenic effects: No mutagenic effects in humans are known.

Reproductive toxicity: No reproductive toxicity in humans is known.

Target organs: Primary irritant effect on eyes and skin.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: There is no specific data available for this product.

Mobility: There is no specific data available for this product.

Biodegradation: There is no specific data available for this product.

Bioaccumulation: There is no specific data available for this product.

Section 13: Disposal Considerations (non-mandatory)

As manufactured, this product does not exhibit any RCRA characteristics of hazardous waste. Controlled incineration at a licensed waste facility is the recommended technology for treatment and disposal. Material must not be disposed of through sewage. Follow all local governmental requirements intended for disposal.

Section 14: Transport Information (non-mandatory)

DOT regulations: Not Regulated

IMDG: Not Regulated

Air transport ICAO-TI and IATA-DGR: Not Regulated

Section 15: Regulatory Information (non-mandatory)

US Federal Regulations

SARA Section 313 (specific toxic chemical listings): This product does not contain any substances subject to SARA Title III, section 313 reporting requirements.

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs): N/A

TSCA (Toxic Substances Control Act): All components of this product are listed in the TSCA Inventory or are exempt

California Prop. 65: This product does not contain any chemicals known to State of California to cause cancer, birth defect, or any other reproductive harm.

Section 16: Other Information

Disclaimer: *This SDS has been prepared in accordance with the Globally Harmonized System of Chemical and Labeling of Chemicals (GHS) Fifth Edition and the OSHA Hazard Communication Standard [29 CFR 1910.1200]. The SDS information is based on sources believed to be reliable. Available data, safety standards, and government regulations are subject to change and the conditions of handling and use, or misuse are beyond our control; DeveloPlus Inc. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information contained herein and disclaims all liability for reliance thereon. Additional information may be necessary or helpful for specific conditions and circumstances of use. It is the user's responsibility to determine the suitability of this product and to evaluate risks and exercise appropriate precautions for protection of employees and others prior to use. The information contained herein relates only to the specific product(s). If this product(s) is combined with other materials, all component properties must be considered.*
