pH: no data available  
Flashpoint: not available; product contains more than 50% water and no flammable ingredients

---

### Section 9: Physical and Chemical Properties continued:

Vapor Density: Not applicable  
Boiling point: >200°F  
Solubility in water: soluble  
Melting point: not applicable  
Specific gravity: >1.0  
Explosive properties: Not explosive

---

### Section 10: Stability and Reactivity

Conditions to avoid: No applicable information found.  
Other recommendations: none

---

## Safety Data Sheet

---

### Section 11: Toxicological Information

Chronic effects: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs are anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

NTP: NO          OSHA: NO          IARC: NO

---

### Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at use concentrations and accidental spills. All packaging components are compatible with local and state disposal requirements and rules.

---
