

STAR NAIL INTERNATIONAL, INC. SAFETY DATA SHEET

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

This form is regarded to be in compliance with 29 CFR Part 1910.1200

SECTION 1 : IDENTIFICATION

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

Product Use: Callus Softener

Manufacturer's Name :	Star Nail International, Inc.	Chemical Family :
Address :	29120 Avenue Paine	Proprietary Mix
City, State, Zip :	Valencia, CA 91355	CAS# N/A

Preparation Date: January 18, 2021

24 HR. EMERGENCY TELEPHONE: CHEMTEL 1-813-248-0573

SECTION 2: Hazardous Identification

Danger! Corrosive. Causes severe burns to skin, eyes, respiratory tract, and gastrointestinal tract. Material is extremely destructive to all body tissues. Fatal if swallowed. Harmful if inhaled.

Potential Health Effects, Signs and Symptoms of Exposure:

Primary Route of Entry: Eyes, skin, inhalation. Eye contact can result in short term corneal burn. Inflammation of the eye is characterized by redness, watering, and itching. Skin contact can produce inflammation and blistering. Inhalation can produce irritation to gastro-intestinal

or respiratory tract, characterized by, sneezing and coughing. Skin inflammation is characterized by itching, scaling, reddening, or, occasionally, blistering.

Hazard Symbols:

Signal Word:

Danger

Hazard Statements:

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. SAFETY DATA SHEET

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

Eye: Severe eye irritant.

Skin: Severe skin irritant.

Ingestion: Requires immediate medical attention.

Inhalation: Use adequate ventilation.

Avoid contact with eyes and skin. Seek medical attention immediately if ingested.

H315- Causes skin irritation

H319- Causes eye irritation

H300- Fatal if swallowed

H312- Harmful in contact with skin

H314- Cause severe skin burns and eye damage.

Precautionary Statements:

Prevention:

P202-Do not handle until all safety precautions have been read and understood.

P210- Keep away from heat/sparks/open flames/hot surfaces. No Smoking.

P260- Do not breathe dust/fume/gas/mist/vapours/spray.

P264- Wash hands and skin thoroughly after handling.

P280- Wear protective gloves/protective clothing/eye protection/face protection.

Response:

P301+P310+P331- IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT Induce vomiting.
P303+P361+P353- IF ON SKIN or hair: Remove immediately all contaminated clothing. Rinse skin with water/shower.
P304+P340- IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
P305+P351+P338- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses,continue rinsing.
P332+P313- If skin irritation occurs: Get medical advice/attention.
P337+P313- If eye irritation persists: Get medical advice/attention.

Storage:

P402+P404- Store in a dry place. Store in a closed container.
P403+P233- Store in a well-ventilated place. Keep container tightly closed.
P403+P235- Store in a well-ventilated place. Keep cool.

P406- Store in corrosive/ resistant container with a resistant inner liner.

Disposal:

P501- Dispose of contents/container in accordance with local,regional,national,and/or international regulations.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. SAFETY DATA SHEET

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

SECTION 3: Composition/Information on Ingredients

Hazardous Ingredients: Potassium Hydroxide CAS # 1310-58-3 <1%

TOXICOLOGICAL DATA NIOSH - C2 mg/m³ OSHA - None

IDLH - Not determined

SECTION 4 : First Aid Measures

First Aid for Eye: Immediately flush with water for 30 minutes, including under eyelids. Check for and remove any contact lenses. Cold water may be used. Get medical attention if irritation persists.

First Aid for Skin: Seek medical attention. Immediately flush with water and remove any contaminated clothing.

First Aid for Inhalation: Remove to fresh air. Seek medical attention if discomfort persists.

First Aid for Ingestion: Requires immediate medical attention. Do not induce vomiting. Consult a physician or your local poison control center.

SECTION 5: Fire Fighting Measures

Flash Point (°F/°C): Not established

Flammable Limit Not applicable

Auto-ignition Temp Not applicable

Extinguisher Media: Water spray, foam, carbon dioxide, dry chemical

Fire Fighting Instructions: Wear protective clothing to prevent contact with skin and eyes.

Fire Fighting Equipment:

Because fire may produce toxic thermal decomposition products, wear a self-contained breathing apparatus (SCBA) with a full face piece operated in pressure-demand or positive- pressure mode.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

SECTION 6 : Accidental Release Measures

Spill or Release Procedures:

Personal Precautions:

This material is corrosive. Wear appropriate eye protection to prevent eye contact. Wear appropriate personal protective clothing to prevent skin contact. Immediately wash the skin when it becomes contaminated. Clothing that becomes wet or significantly contaminated should be removed and replaced.

Environmental Precautions: None known

Methods for Clean Up:

Contain spill with sand or noncombustible material and place in an appropriate waste container for disposal.

SECTION 7 : Handling and Storage

Handling: Avoid contact with eyes. Do not ingest. Keep out of reach of children.

Storage: Store at room temperature. Keep away from extreme heat and freezing. Keep container closed.

SECTION 8 : Exposure Controls/ Personal Protection

Engineering Controls:

Use exhaust ventilation to keep airborne concentrations below exposure limits.

Personal Protective Equipment

Skin Protection:

Wear chemically inert gloves and apron when skin contact is possible due to splashing or spraying of the material.

Eye Protection: Wear goggles or a face shield when eye and face contact is possible due to splashing or spraying of the material.

Inhalation: A NIOSH-approved air purifying respirator with an organic cartridge or canister may be permissible under certain circumstances where airborne concentrations are expected to exceed exposure limits. Protection provided by air purifying respirators is limited.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

SECTION 9 : Physical and Chemical Properties

Appearance @ 25°C:	Slightly hazy viscous liquid	Decomposition Temperature:	Not applicable
Odor @ 25°C:	None	Vapor Pressure:	Not applicable
pH	11.0	Vapor Density:	Not applicable
Specific Gravity:	Not available	Evaporation Rate:	Not applicable
Ignition:	Not available		
% Volatile	Not available		
Boiling Point / Freezing Point-	Not available		
Solubility			
Not available			

SECTION 10 : Stability and Reactivity

Stability: Stable

Hazardous Decomposition Products:

Combustion may produce CO, CO₂ and oxides of nitrogen

Incompatibility (Materials to Avoid):

Acids, water, metals, halogenated hydrocarbons, maleic anhydride

Hazardous Polymerization:

Will not occur

Conditions to Avoid: Heat or freezing

SECTION 11: Toxicological Information

Acute Oral Toxicity: No data available

Acute Toxicity to Invertebrates:

No data available

Acute Toxicity to Algae:

No data available

Irritation– Skin:No data available

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

STAR NAIL INTERNATIONAL, INC. SAFETY DATA SHEET

PRODUCT NAME: Cuccio Naturale Luxury Spa Callus Softener Professional Strength Artisan Shea & Vetiver

Irritation – Eye: No data

available

Sensitization: No data available

Mutagenicity: None

Sub-chronic Toxicity: None

SECTION 12: Ecological Information

Ecotoxicological Information

Acute Toxicity to Fish:

No data available

Acute Toxicity to Invertebrates:

No data available

Acute Toxicity to Algae

No data available

Bioconcentration: No data available

Toxicity to Sewage Bacteria:

No data available

Chemical Fate Information

Biodegradability: No data available

Chemical Oxygen Demand:

No data available

SECTION 13: Disposal Considerations

When discarded in its purchased form, this product meets the criteria of corrosivity and should be managed as a hazardous waste (EPA Hazardous Waste Number D002; 40 CFR 261.22). For disposal, contact a properly licensed waste treatment, storage, disposal or recycling facility.

SECTION 14: Transport Information

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

DOT (49CFR 172)

Proper Shipping Name: Potassium Hydroxide, Solution

Hazard Class: 8

UN/NA: UN1814

Packing Group: II

SECTION 15: Regulatory Information

OSHA: Hazardous by definition of Hazard Communication Standard (29 CFR 1910.1200)

TSCA Status: Exempt

CERCLA Reportable Quantity: 1,000 pounds (Potassium hydroxide)

1,000 pounds (Potassium hydroxide)

SARA Title III: 311 and 312 Hazard Categories: None
313 Reportable Ingredients: None

RCRA Status: Not Listed

California Proposition 65:

This product does not contain substances which require warning under California Proposition 65

Hazard Rating		HMIS Rating Scale
Health	3	0 - Insignificant
Flammability	0	1 - Slight
Reactivity	1	2 - Moderate
		3 - Serious
		4 - Severe

SECTION 16: ADDITIONAL REGULATORY INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this material. The information contained here has been compiled from sources considered by us to be dependable and is accurate to the best of the Company's knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this material needs to evaluate the conditions of use and design and the appropriate protective mechanisms to prevent employee exposure, property damage or release to the environment. Star Nail International assumes no responsibility for injury to the recipient or third persons, or for any damage to any property resulting from misuse of the products.

END OF SDS

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
