Section 8: Exposure Controls/Personal Protection

No special protection required for hand, eye or skin/body exposure. Avoid breathing vapors.

Section 9: Physical and Chemical Properties

Color, odor and appearance: water white liquid with alcoholic odor

pH: no data available

Flashpoint: ~50°F

Vapor Pressure: ~40mmHg @19 °C

Vapor Density: 1.59 Ethanol

% volatiles: ~90%

Boiling point: ~160°F

Solubility in water: soluble

Melting point: not applicable

Specific gravity: 0.86

Explosive properties: Product contains alcohol and large quantity can explode

Section 10: Stability and Reactivity

Conditions to avoid: High heat, flame, spark and smoking.

Other recommendations: none

Section 11: Toxicological Information

Chronic effects: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs is anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

NTP: NO OSHA: NO IARC: NO

Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at use concentrations. All packaging components are compatible with local and state disposal requirements and rules.

Product contains ethanol which has some ecological toxicity to aquatic invertebrates and fish.
