This is a personal care product that is safe for consumers and other users under normal and usual conditions. If a large spill occurs avoid prolong contact with skin and clothing.

Section 9: Physical and Chemical Properties

Color, odor and appearance: colorless liquid with characteristic odor.

Physical state: liquid

pH: no data available

Flashpoint: 151° F Tag closed cup

Boiling point: >200°F

Solubility in water: insoluble

Melting point: not applicable

Vapor Density: Not applicable

Section 9: Physical and Chemical Properties continued

Specific gravity: less than 1

Explosive properties: Not explosive

Section 10: Stability and Reactivity

Conditions to avoid: Avoid exposure of liquid to fire or flame as it will burn.

Other recommendations: None

Section 11: Toxicological Information

Chronic effects: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs is anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

NTP: NO OSHA: NO IARC: NO

Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at use concentrations and accidental spills. All packaging components are compatible with local and state disposal requirements and rules.

Section 13: Disposal Considerations

Dispose of unused or used product according to Federal, state and local regulations. For both household and non-household settings, do not discharge product into natural waters without pre-treatment or adequate dilution. When disposed of as waste in a non-household setting it is considered as non-hazardous per Federal RCRA regulations.

Section 14: Transport Information

US DOT information: Non hazardous

Section 15: Regulatory Information

This product is regulated as a cosmetic by FDA (US), HPB (Canada), Cosmetic Directive (EU).

SARA Title 3: This product contains no chemicals that require reporting.

Section 16: Other Information

This SDS is intended to provide a brief overview and summary of our knowledge and guidance regarding the use of this product. The information has been compiled by Fantasia and is thought to be dependable and accurate to the best of our knowledge. It is not meant to be an all-inclusive document. This document is offered in good faith. Each user of this material needs to evaluate the situation and conditions of use and design those mechanisms to prevent personal and property exposure and release to the environment. Fantasia assumes no responsibility for injury to the recipient or third persons, or for any damage to any property from misuse of this product.
