

Safety Data Sheet (SDS) for Cosmetic Product

Section 1: Identification

Product Name: *Magic Roulette Concealer*

Use of the substance/preparation: A cosmetic product designed to be used on the face, neck and/or body.

Supplier name: OFRA Cosmetics, LLC.

Supplier address and phone: 2141 Blount Rd., Pompano Beach, FL 33069; ph: 954.978.6688

Emergency Telephone #: CHEMTREC – Phone #: 1.800.424.9300 (US and Canada) or 1.703.527.3887 (for all calls originating elsewhere)

Section 2: Hazard(s) Identification

EMERGENCY OVERVIEW:

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use. Additional information on toxicological endpoints is available from the OFRA COSMETICS upon request.

POTENTIAL HEALTH EFFECTS:

Eye:

Contact may cause mild, transient irritation. Some redness and/or stinging may occur.

Skin:

Not expected to be irritating sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

Inhalation:

Not expected to be irritating to the respiratory system. Not volatile, therefore limited inhalation exposure anticipated.

Ingestion:

Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhea.

Section 3: Composition/ Information on Ingredients

Mixture

Description: Cosmetic Preparation. Consists of: The identity of individual components of this mixture is proprietary information and is regarded to be a trade secret.

Dangerous Components: Not Applicable.

The product(s) does not contain ingredients considered hazardous as defined by OSHA, 29 CFR 1910.1200 and/or WHMIS under the HPA

Section 4: First-Aid Measures

Eye:

Thorough rinsing for 15 – 20 minutes of the affected eye with copious amounts of water is recommended. If discomfort or irritation persists, contact a physician.

Skin Problem:

Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

Inhalation:

If respiratory irritation occurs, remove individual to fresh air, and wash off skin.

Ingestion:

Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting.

Note: After first Aid treatment, the caller should be advised that (1) a hospital emergency room or family physician should be consulted if anything unusual occurs or appears necessary, and (2) that the subsequent management of the accident should be dictated by persistent symptoms and under the direction of a physician

Section 5: Fire-Fighting Measures

Suitable extinguishing media: Foam, carbon dioxide or dry chemical.

Special hazards arising from the substance or mixture: None expected.

Special protective equipment and precautions for the fire-fighters: Wear self-contained breathing apparatus for firefighting if necessary.

Section 6: Accidental Release Measures

Personal precautions, protective equipment, and emergency procedures: Cosmetic preparation. Respiratory: No protection normally required. Ensure area is properly ventilated. Equipment and Apparel: Acceptable industrial hygienic practices should be maintained.

Methods and material for containment and cleaning up: Contain spilled material. For flammable substances, avoid open flames and other sources of ignition. For large spills in confined poorly ventilated areas use of NIOSH-approved respiratory protection may be required. Cover with inert non-combustible absorbent material and remove to an approved disposal container. Dispose of in accordance with local, state and federal regulations.

Section 7: Handling and Storage

Precautions for safe handling: Do not expose to heat or flame. Use only in well ventilated areas.

Conditions for safe storage, including any incompatibilities: Avoid heat and flame.

Requirements to be met by storerooms and containers: Keep container tightly closed in a dry well-ventilated place.

Information about storage in one common storage facility: Keep container tightly closed.

Further information about storage conditions: Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Section 8: Exposure Controls/Personal Protection

Additional information about design of technical systems:

Exposure limits: N/A

Personal protective equipment: None expected. Use protective gloves and apron to protect apparel from staining. For industrial spills acceptable industrial hygienic practices should be maintained.

Section 9: Physical and Chemical Properties

Appearance: Pigmented, solid wax based wheel with multiple colors.

Odor: Characteristic

pH: Not Applicable

Specific Gravity @ 25°C: Not Applicable

Melting point: 65°C – 85°C

Boiling Point: Not Applicable

Flash Point: Not Applicable

Evaporation rate: Not Applicable

Solubility: Insoluble in water

% VOC: Complies with Federal and State regulations for VOC content.

Section 10: Stability and Reactivity

Reactivity: Presents no significant reactivity hazard. Normally stable even at elevated temperature and pressures. Neither pyrophoric nor reactive with water. Does not undergo explosive decomposition, is shock stable and is not an oxygen donor. Does not form explosive mixture with other organic materials. Will not undergo hazardous exothermic polymerization.

Chemical Stability: N/A

Possibility of hazardous reactions: N/A

Conditions to avoid: N/A

Incompatible materials: N/A

Hazardous decomposition of products: N/A

Section 11: Toxicological information

Acute toxicity: Not determined.

Primary irritant effects;

On the skin: None expected if used as directed.

On the eye: Might cause irritation.

Sensitization: Not determined.

Additional toxicological information: Not determined.

Section 12: Ecological Information

Ecotoxicity (aquatic and terrestrial, where available): Not determined.

Persistence and degradability: Not determined.

Bioaccumulative potential: Not determined.

Mobility in soil: Not determined.

Other adverse effects: Not determined.

Section 13: Disposal Considerations

Waste treatment methods, recommendation: Dispose of in accordance with local, state and federal regulations.

Un cleaned packaging, recommendation: Disposal according to official regulations.

Section 14: Transport Information

UN number: Not Applicable

UN proper shipping name: See product description.

Transport hazard class(es): Not applicable.

Packing group, if applicable: Not applicable.

Environmental hazard: Not determined.

Transport in bulk according to Annex II of MARPOL 73/78 and the IBC code: Not determined.

Special precautions for user: Not applicable.

Section 15: Regulatory Information**EU DPD (Dangerous Products Directive) Classification (DPD 88/379/EEC).**

Regulated as a Cosmetic and/or Drug under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China).

While the finished product(s) is not considered hazardous as defined in 29 CFR 1910.1200 (d), this MSDS contains valuable information critical to the safe handling and proper use of the product.

US Federal

The product described in this Material Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

CERCLA reportable quantity (RQ): None.

SARA 313/302/304/311/312 chemicals: None.

Canada

All ingredients are CEPA approved for import to Canada. This product has been classified in accordance with the hazard criteria of the Canadian Controlled Products Regulations (CPR) and this MSDS contains all information required by the CPR.

US States**CA Prop 65:**

This product is not subject to warning labeling under California Proposition 65.
(Heavy metals testing and screening)

State Right-to-Know:

The following ingredients are present in the finished product and are listed on the following state right-to-know lists:

Ingredient	CAS #	Level	State				
Cetyl Alcohol	36653-82-4	1-5%			NJ		
Mica	12001-26-2	5-10%		MA	NJ	PA	RI
Titanium Dioxide	13463-67-7	0.50-15%	IL	MA	NJ	PA	RI
Iron Oxides	1309-37-1	0-5%		MA	NJ	PA	RI
Blue 1 Lake	68921-42-6	<0.5%				PA	

Other

Perfumes or fragrances contained within the products covered by this MSDS comply with appropriate IFRA guidance.

Section 16: Other Information

This information is based on current knowledge. However, they shall not guarantee for any specific product features and shall not establish a legally valid contractual relationship.

SDS Preparation Date: **April 11, 2024**
