

COSMETICS, LLC.

Safety Data Sheet (SDS)

Section 1: Identification

Product Name: *Verified Liquid Liner - Black*

Recommended Use: Cosmetic product intended to color the eyelids and surrounding skin.

Supplier name: OFRA Cosmetics, LLC.

Supplier address and phone: 2141 Blount Rd., Pompano Beach, FL 33069; ph: 954.978.6688

Emergency Telephone #: CHEMTREC – Phone #: 1.800.424.9300 (US and Canada) or 1.703.527.3887 (for all calls originating elsewhere)

Section 2: Hazard(s) Identification

GHS Classification (OSHA HazCom 29 CFR 1910.1200): Not classified as hazardous for the finished product as supplied.

Label Elements: No signal word, hazard statements, or pictograms required.

Other Hazards: Direct eye contact may cause mild, temporary irritation.

Section 3: Composition/ Information on Ingredients

This product is a mixture. Ingredient identities and exact concentrations are withheld as trade secrets in accordance with 29 CFR 1910.1200(i). Hazard information is provided to the extent necessary to protect health.

Section 4: First-Aid Measures

Description of first aid measures

After inhalation: If irritation occurs, remove to a fresh air environment. If irritation continues, contact a physician.

After skin contact: Cosmetic skin preparation, no expected reaction if used as directed. If irritation occurs, remove contaminated clothing. Wash affected area with copious amounts of water for at least 15 minutes. If irritation continues, contact a physician.

After eye contact: Flush eyes with copious amounts of water for at least 15 minutes. If irritation continues, contact a physician.

After swallowing: Do not induce vomiting. Give copious amounts of water to dilute. If irritation continues, contact a physician.

Most important symptoms/effects, acute and delayed: Contact a physician.

Indication of immediate medical attention and special treatment needed, if necessary: Contact a physician.

Section 5: Fire-Fighting Measures

Suitable extinguishing media: Foam, carbon dioxide or dry chemical.

Special hazards arising from the substance or mixture: None expected.

Special protective equipment and precautions for the fire-fighters: Wear self-contained breathing apparatus for firefighting if necessary.

COSMETICS, LLC.

Safety Data Sheet (SDS)

Section 6: Accidental Release Measures

Personal precautions, protective equipment, and emergency procedures: Cosmetic preparation. Respiratory: No protection normally required. Ensure area is properly ventilated. Equipment and Apparel: Acceptable industrial hygienic practices should be maintained.

Methods and material for containment and cleaning up: Contain spilled material. For flammable substances, avoid open flames and other sources of ignition. For large spills in confined poorly ventilated areas use of NIOSH-approved respiratory protection may be required. Cover with inert non-combustible absorbent material and remove to an approved disposal container. Dispose of in accordance with local, state and federal regulations.

Section 7: Handling and Storage

Precautions for safe handling: It is recommended that this material be stored in a cool, well ventilated area.

Conditions for safe storage, including any incompatibilities: Avoid strong oxidizing agents.

Requirements to be met by storerooms and containers: Keep container tightly closed in a dry well-ventilated place.

Information about storage in one common storage facility: Keep container tightly closed.

Further information about storage conditions: Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Section 8: Exposure Controls/Personal Protection

Additional information about design of technical systems:

Exposure limits: N/A

Personal protective equipment: None expected. Use protective gloves and an apron to protect apparel from staining. For industrial spills acceptable industrial hygienic practices should be maintained.

Section 9: Physical and Chemical Properties

Appearance: Pigmented black gel.

Odor: Characteristic

pH: 6.5 – 7.5

Specific Gravity@25C: 0.990 – 1.020

Melting point: N/A

Boiling Point: N/A

Flash Point: N/A

Evaporation rate: N/A

Solubility: Dispersible in water

% VOC: Complies with Federal and State regulations for VOC content.

Section 10: Stability and Reactivity

Reactivity: Presents no significant reactivity hazard. Normally stable even at elevated temperature and pressures. Neither pyrophoric nor reactive with water. Does not undergo explosive decomposition, is shock stable and is not an oxygen donor. Does not form explosive mixture with other organic materials. Will not undergo hazardous exothermic polymerization.

Chemical Stability: N/A

Possibility of hazardous reactions: N/A

Conditions to avoid: N/A

Incompatible materials: N/A

Hazardous decomposition of products: N/A

Section 11: Toxicological information

Acute toxicity: Not determined.

Primary irritant effects:

On the skin: None expected if used as directed.

On the eye: Might cause irritation.

Sensitization: Not determined.

Additional toxicological information: Not determined.

Section 12: Ecological Information

Ecotoxicity (aquatic and terrestrial, where available): Not determined.

Persistence and degradability: Not determined.

Bioaccumulative potential: Not determined.

Mobility in soil: Not determined.

Other adverse effects: Not determined.

Section 13: Disposal Considerations

Waste treatment methods, recommendation: Dispose of in accordance with local, state and federal regulations.

Un cleaned packaging, recommendation: Disposal according to official regulations.

Section 14: Transport Information

UN number: Not Applicable

UN proper shipping name: See product description.

Transport hazard class(es): Not applicable.

Packing group, if applicable: Not applicable.

Environmental hazard: Not determined.

Transport in bulk according to Annex II of MARPOL 73/78 and the IBC code: Not determined.

Special precautions for user: Not applicable.

COSMETICS, LLC.

Safety Data Sheet (SDS)

Section 15: Regulatory Information

United States (Federal):

This product is regulated as a cosmetic under the Federal Food, Drug, and Cosmetic Act (FD&C Act).

MoCRA Compliance Statement: This product is manufactured and marketed in accordance with the Modernization of Cosmetics Regulation Act of 2022 (MoCRA). The Responsible Person maintains adequate safety substantiation for this cosmetic product, including toxicological and formulation safety data, as required under Section 608 of MoCRA. Applicable facility registration and cosmetic product listing have been (or will be) submitted to the U.S. FDA as required.

CERCLA (Reportable Quantity): No reportable quantities (RQs) for the individual components in this product as supplied.

SARA 302/304 (Extremely Hazardous Substances): : Contains no extremely hazardous substances subject to Section 302 TPQ or Section 304 RQ.

SARA 311/312 (Hazard Categories): Not hazardous under SARA 311/312. No Immediate (Acute) Hazard, No Delayed (Chronic) Hazard, No Fire Hazard, No Reactivity Hazard, No Sudden Release Hazard

SARA 313 (TRI): This product contains no TRI-listed chemicals.

TSCA (Toxic Substances Control Act): All components of this product are listed or are exempt from listing on the TSCA Inventory.

United States (State):

CA Prop 65: No warning required

State Right-to-Know: Certain ingredients in this product may appear on state Right-to-Know chemical lists (e.g., New Jersey, Pennsylvania, Massachusetts). These substances are present in a non-hazardous, finished cosmetic form and do not pose reportable workplace exposure hazards under normal conditions of use. Based on the product's formulation and intended use, no additional state Right-to-Know disclosures are required

Section 16: Other Information

This information is based on current knowledge. However, they shall not guarantee for any specific product features and shall not establish a legally valid contractual relationship.

REVISION HISTORY:

Revision Number	Date	Description of Change
1.0	04-21-2025	SDS Created
1.1	05-04-2026t	Updated format to comply with upcoming 2027 regulatory changes.

SDS Preparation Date: May 04, 2026
