AMERICAN INTERNATIONAL INDUSTRIES

Safety Data Sheet Ardell (Duo) Quick Set Striplash Adhesive - Clear

SECTION 1: Identification of the substance/mixture and of the company/undertaking

Product identifier		
Product name	Ardell (Duo)Quick Set Striplash Adhesive - Clear	
Product number	87-0545 found in Trio kit	
Relevant identified uses of the sub Uses: False Eyelash Adhesive	ostance or mixture and uses advised against	
Details of the supplier of the safety data sheet		
Name Address	American International Industries 2220 Gaspar Ave Los Angeles, CA 90040 USA	
Telephone	323-728-2999	
Emergency telephone number		
	Chem-Tel: 1(800) 255-3924	

SECTION 2: Hazards identification

General hazard statement

Non Hazardous Material

Classification of the substance or mixture

This chemic al is not considered hazardous by the 2012 OSHA Hazard Communic ation Standard (29 CFR 1910 1200)

No Pictogram Required No Hazard Statement Required No Signal Word Required

Classification according to Regulation (EC) No 1272/2008 (CLP) and 2012 OSHA Hazard Communication Standard (29 CFR 1910 1200)

This product does not meet the criteria for classification in any hazard class according to Regulation (EC) No 1272/2008 on classification, labeling and packaging of substances and mixtures.

Label elements

Labeling according to Regulation (EC) No 1272/2008 [CLP] and 2012 OSHA Hazard Communication Standard (29 CFR 1910 1200)

This product does not meet the criteria for classification in any hazard class according to Regulation (EC) No 1272/2008 on classification, labeling and packaging of substances and mixtures.

Other hazards NONE

SECTION 3: Composition/information on ingredients

Mixtures

Components

Component		Concentration
Non Hazardous Ingredients		100 %
CLASSIFICATIONS: Not classified	HAZARDS: Not hazardous	

SECTION 4: First aid measures

Description of first aid measures

General notes	Though this product is non hazardous for its indented use, in all cases, if symptoms persists contact a physician.
Following inhalation	Not applicable
Following skin contact	Mild skin irritation may occur in sensitive individuals. Wash with soap and water.
Following eye contact	Rinse with plenty of water for at least 15 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing. May be mildly irritating in sensitive individuals.
Following ingestion	Clean mouth with water and afterwards drink plenty of water. May cause diarrhea. Do not induce vomiting. Contact a physician.
Self-protection of the first aider	First responders should wear eye protection. Structural fire-fighters must wear MSHA/NIOSH approved SCBA and full protective equipment. Use a water spray or fog to reduce vapors. Water may not be effective in extinguishing a fire involving this product.
•• • • • • • • • •	

Most important symptoms and effects, both acute and delayed Non known

SECTION 5: Firefighting measures

Extinguishing media

Dry chemical, carbon dioxide, Halon foam.

Special hazards arising from the substance or mixture None

Advice for firefighters

First responders should wear eye protection. Structural fire-fighters must wear MSHA/NIOSH approved SCBA and full protective equipment. Use a water spray or fog to reduce vapors. Water may not be effective in extinguishing a fire involving this product.

SECTION 6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

Household: Absorb with inert material and place in a appropriate waste disposal Industrial: Avoid contact with skin, eyes, and clothing. Remove all sources of ignition. Absorb with an inert material and put the spilled material in an appropriate waste disposal. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system

Environmental precautions

Household: Do not place spilled product in any drain or water system that can go into the environment. Industrial: Should not be released into the environment.

Methods and material for containment and cleaning up

Highway or railway spills call chemtrec (800) 424-9600 cont. U.S. Collect (202) 483-7616 from Alaska and Hawaii.

SECTION 7: Handling and storage

Precautions for safe handling

Good standards of safe working practice and industrial hygiene should be observed.

Conditions for safe storage, including any incompatibilities

Store containers in a cool dry place, away from direct sunlight, other light sources, or any intense heat.

SECTION 8: Exposure controls/personal protection

Control parameters

Exposure controls

Appropriate engineering controls

Avoid prolonged contact with the product. After use, wash hands and exposed skin with soap and water. Do not eat, drink, or smoke while handling this product.

Personal protection equipment

Eye and face protection

Depending on the use of this product splash or safety glasses may be worn in an industrial setting. When necessary refer to U.S. OSHA 29 CFR §1910.133, Canadian standards, or the European standard EN166.

Skin protection

Distribution, Workplace and Household Settings: No special protective equipment required. Product Manufacturing Plant (needed at Product-Producing Plant ONLY): Protective gloves.

Body protection

No special body protection is required for this product under typical use and handling.

Respiratory protection

No respiratory protection is required under typical circumstances of use and handling. If necessary, use only respiratory protection authorized by U.S. OSHA 29 CFR §1920.134, or applicable U.S. local state regulations,

Thermal hazards

None Known

Environmental exposure controls None

SECTION 9: Physical and chemical properties

Information on basic physical and chemical properties

SECTION 10: Stability and reactivity

Reactivity

No data available

Possibility of hazardous reactions No data available.

Conditions to avoid No data available.

Incompatible materials Acidic materials cause product to coagulate.

Hazardous decomposition products

If exposed to extremely high temperatures, the products of decomposition may include irritating vapors and carbon oxide gases (e.g. CO2, CO).

SECTION 11: Toxicological information

Information on toxicological effects

Acute toxicity No data available.

Skin corrosion/irritation No data available.

Serious eye damage/irritation

No data available.

Respiratory or skin sensitization

No data available.

Germ cell mutagenicity None known

Carcinogenicity

This product is or contains a component that is not classifiable as to its carcinogenicity based on its IARC, ACGIH, NTP, or EPA classification.

Reproductive toxicity None known

None known

STOT-single exposure None Known

STOT-repeated exposure None Known

Aspiration hazard No data available.

SECTION 12: Ecological information

Toxicity No data available.

Persistence and degradability No data available.

Bioaccumulative potential No data available.

Mobility in soil No data available.

SECTION 13: Disposal considerations

Waste treatment methods

Disposal of the product

Dispose of contents/ container in accordance with the local/regional/national/international regulations. Non Household Setting: Products covered by this SDS, in their original form, when disposed as waste, are considered non hazardous waste according to Federal RCRA regulations (40 CFR 261). Disposal should be in accordance with local, state and federal regulations. Solutions of diluted detergent in the course of use, may be allowed to be flushed

down sewer. First check with your local water treatment plant. Recycling is undiluted scrap product. Do not landfill. Household Use: Household product is safe for disposal down the drain during detergent use or in the trash. Dispose of empty bottle in the trash or recycle where facilities exist.

SECTION 14: Transport information

DOT (US) Not regulated

IMDG Not regulated

IATA Not regulated

SECTION 15: Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture

Toxic Substances Control Act (TSCA) Inventory The components of this product are listed on the TSCA Inventory as appropriate.

SARA 311/312 Hazards No SARA hazards.

Massachusetts Right To Know Components No components are subject to the Massachusetts Right to Know Act.

New Jersey Right To Know Components No components are subject to the New Jersey Right to Know Act.

Pennsylvania Right To Know Components No components are subject to the Pennsylvania Right To Know Act.

WHMIS (Canada)

Not subject to WHMIS classification.

SECTION 16: Other information

Further information/disclaimer

This Safety Data Sheet is offered pursuant to OSHA's Hazard Communication Standard, 29 CFR § 1910.1200 and GHS. To the best of A.I.I.'s knowledge, the information contained herein is reliable and accurate as of this date; however, accuracy, suitability or completeness is not guaranteed and no warranties of any type, either expressed or implied, are provided. The information contained herein relates only to the specific product(s). If this product(s) is combined with other materials, all component properties must be considered. Data may be changed from time to time. Be sure to consult the latest edition.
