---

## Section 8: Exposure Controls/Personal Protection

This is a personal care product that is safe for consumers and other users under normal and usual conditions. If a large spill occurs avoid prolong contact with skin and clothing.

---

## Section 9: Physical and Chemical Properties

Color, odor and appearance: white opaque liquid

pH: 5-8

Flashpoint: ~75°C

Vapor Density: N/A

Boiling point: <200°F

Solubility in water: insoluble

Melting point: not applicable

Specific gravity: ~0.9

---

**Section 10: Stability and Reactivity**

Stable under normal conditions.

Conditions to avoid: Excessive heat or direct exposure to flames.

Other recommendations: none

---

**Section 11: Toxicological Information**

Chronic effects: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs is anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

NTP: NO            OSHA: NO            IARC: NO

---

**Section 12: Ecological Information**

No data available

---

**Section 13: Disposal Considerations**
