No labelling applicable 2.3. Other hazards which do not result in classification No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available	2.2. GHS Label elements, include	ding precautionary statements	
2.3. Other hazards which do not result in classification No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Ruse eyes with water as a precaution. First-aid measures after inhalation : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available	GHS US labelling		
No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after skin contact : Rinse eyes with water as a precaution. First-aid measures after inpestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available	No labelling applicable		
No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after skin contact : Rinse eyes with water as a precaution. First-aid measures after inpestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available			
2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures First-aid measures First-aid measures First-aid measures after inhalation first-aid measures after eye contact : Remove person to fresh air and keep comfortable for breathing. First-aid measures after eye contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available	2.3. Other hazards which do no	t result in classification	
Not applicable SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures First-aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after eye contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after eye contact : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available .	No additional information available		
SECTION 3: Composition/information on ingredients 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after eye contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available 4.3.	2.4. Unknown acute toxicity (Gł	IS US)	
3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available . 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. . SECTION 5: Fire-fighting measures . 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available .	Not applicable		
3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available . 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. . SECTION 5: Fire-fighting measures . 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available .	SECTION 3: Composition/info	ormation on ingredients	
Not applicable 3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after inhalation : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available . 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. . SECTION 5: Fire-fighting measures . 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available .			
3.2. Mixtures This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available			
This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012 SECTION 4: First-aid measures A.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available			
SECTION 4: First-aid measures 4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available 4.3.			
4.1. Description of first aid measures First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available	This mixture does not contain any subs	tances to be mentioned according to the criteria of section 3.2 of HazCom 2012	
First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available . 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. . SECTION 5: Fire-fighting measures . 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available .	SECTION 4: First-aid measure	es	
First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. First-aid measures after ingestion : Call a poison center or a doctor if you feel unwell. 4.2. Most important symptoms and effects (acute and delayed) No additional information available 4.3. 4.3. Immediate medical attention and special treatment, if necessary Treat symptomatically. SECTION 5: Fire-fighting measures 5.1. Suitable (and unsuitable) extinguishing media Suitable extinguishing media : Water spray. Dry powder. Foam. Carbon dioxide. 5.2. Specific hazards arising from the chemical No additional information available 4.3.	4.1. Description of first aid mea	Isures	
First-aid measures after skin contact : Wash skin with plenty of water. First-aid measures after eye contact : Rinse eyes with water as a precaution. Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

5.3. Spe	cial protective equipment and pred	autions for fire-fighters
Protection duri	ng firefighting :	Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing.
SECTION 6	6: Accidental release measu	res
6.1. Pers	sonal precautions, protective equip	pment and emergency procedures
6.1.1. For	non-emergency personnel	
Emergency pro	ocedures :	Ventilate spillage area.
6.1.2. For	emergency responders	
Protective equ		Do not attempt to take action without suitable protective equipment. For further information
·		refer to section 8: "Exposure controls/personal protection".
6.2. Env	ironmental precautions	
Avoid release	to the environment.	
6.3. Met	hods and material for containment	and cleaning up
Methods for cl	eaning up :	Take up liquid spill into absorbent material.
Other informat	ion :	Dispose of materials or solid residues at an authorized site.
6.4. Refe	erence to other sections	
For further info	ormation refer to section 13.	
SECTION 7	': Handling and storage	
7.1. Pred	cautions for safe handling	
Precautions fo	r safe handling :	Ensure good ventilation of the work station. Wear personal protective equipment.
Hygiene meas	ures :	Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
7.0 0.00	ditions for one construction	
7.2. Con Storage condit	ditions for safe storage, including	Store in a well-ventilated place. Keep cool.
Otorage condit		
SECTION 8	: Exposure controls/persor	al protection
8.1. Con	trol parameters	
No additional i	nformation available	
8.2. App	ropriate engineering controls	
		Ensure good ventilation of the work station.
	с с	Avoid release to the environment.
8.3. Indi	vidual protection measures/Persor	nal protective equipment
0.3. 11101	vidual protection measures/Persor	
Hand protect	ction:	
Protective gl	oves	
Eye protecti	on:	
Safety glasses		
Skin and body protection:		
Wear suitable protective clothing		
Respiratory protection:		
In case of insufficient ventilation, wear suitable respiratory equipment		
SECTION 9	: Physical and chemical pro	operties
9.1. Info	rmation on basic physical and che	
Physical state		

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Odour	: Pleasant odour
Odour threshold	: No data available
рН	: 3.75 - 4.75
Melting point	: Not applicable
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butylacetate=1)	: No data available
Flammability (solid, gas)	: Not applicable.
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: No data available
Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available

9.2. Other information

Germ cell mutagenicity

Reproductive toxicity

Carcinogenicity

05/08/2019

No additional information available

SECTION	10: Stability and reactivity		
10.1. Re	eactivity		
The product	The product is non-reactive under normal conditions of use, storage and transport.		
10.2. Cł	nemical stability		
Stable unde	r normal conditions.		
10.3. Po	ossibility of hazardous reactions		
No dangerous reactions known under normal conditions of use.			
10.4. Co	onditions to avoid		
None under	recommended storage and handling	conditions (see section 7).	
10.5. In	compatible materials		
No additiona	l information available		
10.6. Ha	zardous decomposition products		
Under norma	al conditions of storage and use, haz	ardous decomposition products should not be produced.	
SECTION	11: Toxicological informat	ion	
11.1. Int	formation on toxicological effects		
Acute toxicit	y (oral)	: Not classified	
Acute toxicit	y (dermal)	: Not classified	
Acute toxicit	y (inhalation)	: Not classified	
Skin corrosio	on/irritation	: Not classified	
		рН: 3.75 - 4.75	
Serious eye	damage/irritation	: Not classified	
D		pH: 3.75 - 4.75	
Respiratory	or skin sensitisation	: Not classified	

: Not classified

STOT-single exposure	: Not classified
STOT-repeated exposure	: Not classified
Aspiration hazard	: Not classified
Viscosity, kinematic	: No data available

SECTION 12: Ecological information		
12.1.	Toxicity	
Ecology	- general	: The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment.
12.2.	Persistence and degradability	
No addi	tional information available	
12.3.	Bioaccumulative potential	
No addi	tional information available	
12.4.	Mobility in soil	
No addi	tional information available	
12.5.	Other adverse effects	
No addi	tional information available	

SECTION 13: Disposal considerations	
13.1. Disposal methods	
Waste treatment methods :	Dispose of contents/container in accordance with licensed collector's sorting instructions.
SECTION 14: Transport information	
Department of Transportation (DOT)	
In accordance with DOT	
Not applicable	
Transportation of Dangerous Goods	
Not applicable	
Transport by sea	
Not applicable	
Air transport	
Not applicable	
SECTION 15: Regulatory information	
15.1. US Federal regulations	
No additional information available	
15.2. International regulations	

CANADA No additional information available

EU-Regulations No additional information available

National regulations No additional information available
